Win or lose, what matters is being part of the team.

Health insurance gets them in the game.

Medicaid and CHIP offer free or low-cost health insurance for children and teens up to age 19. Children can get regular check-ups, immunizations, doctor and dentist visits, hospital care, mental health services, prescriptions and more.

Children in a family of four earning up to $48,600 a year or more may qualify. Even if you've been turned down in the past, you may be able to get health coverage for your child now. Parents may qualify for Medicaid as well. Those eligible for Medicaid and CHIP can enroll any day of the year.
