Performance Bonus amounts are subject to adjustment based on revised or corrected data submitted by States.

Several of the FY 2009 and FY 2010 performance bonus amounts have been adjusted based on final enrollment figures.

January 18, 2012

¹ Alabama's FY 2009 and FY2010 performance bonus amounts have been revised due to an error in the calculation of the enrollment data originally reported to CMS; these amounts should still be considered preliminary as the review process is continuing.
