

Get the Facts About Children's Health Insurance

Information for Teams & Families

Child Health Plus and Medicaid are New York's free or low-cost health insurance programs. Whether your kids need a physical to play in school or community sports, or you are worried about what happens if they get hurt, Child Health Plus and Medicaid can help.

Even if you've been turned down in the past, you may be able to get health coverage for your kids now. A family of four with an income up to \$88,000 a year can get their kids covered.

Getting started is easy.

Call 800-698-4543 or visit InsureKidsNow.gov to find out how and where to sign up.

Your kids will be covered on and off the field, long after the season ends. Signing up means your kids can get doctor and dentist visits, vision and hearing care, hospital care, mental health services, regular check-ups and shots and needed treatment, including prescription drugs.

Keep in mind you will need to renew your child's coverage. When it's time, a notice will come in the mail.
