

Adding Graphics to Your Email Signature in Microsoft Office 365 Outlook A Step-by-Step Guide

You can add Connecting Kids to Coverage National Campaign images to your email signature and help spread the word about year-round enrollment in Medicaid and the Children Health Insurance Program (CHIP).

Please note, graphics provided have been sized specifically for email signatures. While the below images are in support of the Campaign's "Mental Health" initiative, there are a variety of graphics available on InsureKidsNow.gov that can be used.

Sample Images for Email Signature:

Sample Copy for Email Signature: (English)

Medicaid and CHIP cover behavioral health screenings, group therapy, counseling and more. Let families know that support is available for their children: https://bit.ly/3efh8zg

Sample Copy for Email Signature: (Spanish)

Medicaid y CHIP cubren evaluaciones de salud conductual, terapia en grupo o individual y más. Informe a las familias que hay apoyo disponible para sus hijos: https://bit.ly/2QusTIV

Customize this language to best suit your organization or messaging needs. The shortened link above goes to the Campaign's Mental Health resource page.

Create a Shortened Hyperlink

Step 1: Visit https://bitly.com

Step 2: Copy and paste the link you want to use into the "Shorten Your Link" text box

Step 3: Select "Shorten"; this will produce a custom, shortened link

Add an Image to your Email Signature

The pages that follow outline the steps to add an image and copy to your email signature in Microsoft Office 365 Outlook.

Step 1: Log into your Outlook email account and open a new email message.

Step 5: To resize your image, right-click the image, then choose "Picture." Select the "Size" tab and use the options to resize your image. To keep the image proportions, make sure to keep the "Lock aspect ratio" box checked. Select "OK" when finished. The image should be between 300 to 600 pixels in width, or between four to eight inches at 72 dpi.
