FACTS:

CHILDREN'S HEALTH INSURANCE Covering Expectant Mothers

Did you know that [INSERT PROGRAM NAME], [INSERT STATE]'s health insurance program for kids, also provides coverage for expectant mothers? There are *no* pre-existing condition exclusions and *no* waiting periods.

With [INSERT PROGRAM NAME], coverage can include:

- Prenatal care
- Prescription drug coverage
- Lab testing
- Labor costs
- Delivery costs
- 60-day postpartum care

To get covered and help ensure a healthy baby, just follow this guide:

Check... to see what low-cost health insurance is available for your unborn child. Start with a call to our office at [INSERT PHONE NUMBER] or visit us online.

Protect... yourself and your child with prenatal and postpartum care. You will gain peace of mind knowing you have coverage when you need it.

Expect... to re-enroll. After your baby is born, he/she will automatically be covered for one year. After that, you must renew your coverage annually, so mark your calendar and be ready to renew when your State health insurance office contacts you.

Apply online, in the mail or over the phone.

To see if you are eligible, call [INSERT STATE PHONE NUMBER]
or visit [INSERT WEB SITE].
