ONE CALL CAN BRING PEACE OF MIND.

You may think your kids can't get low-cost health insurance because you work or make too much money, but you may be surprised. In most States, a family of four making up to \$44,000 a year may be able to get coverage.

And, coverage is not just for urgent needs. Your kids can get regular check-ups, dental care, immunizations and prescription drugs.

Call or go online today and have peace of mind tomorrow.
