INSUREKIDSNOW

Medicaid and CHIP help kids ages 19 and under stay healthy. If you or someone you love is 19 or younger, has income under the federal poverty level, and is a member of a family with less than $50,000 in income, then you qualify for Medicaid or CHIP. Medicaid and CHIP cover routine care for your health needs, whether you are sick or well, and also for preventive services like well-child visits.
