Announcer:
Medicaid and CHIP offer free or low-cost health coverage for children and teens. Hospital and doctor visits, prescriptions, shots, and more are covered. That's peace of mind for parents if a child is sick or gets injured.

And parents may now be eligible for Medicaid too, even if they have applied in the past. Enrollment is always open. Visit **InsureKidsNow.gov** or call 1-877-KIDS-NOW.

Paid for by the U.S. Department of Health & Human Services.
