

Adding Graphics to Your Email Signature in Microsoft Office 365 Outlook A Step-by-Step Guide

You can add Connecting Kids to Coverage National Campaign images to your email signature and help spread the word about year-round enrollment in Medicaid and the Children Health Insurance Program (CHIP).

Please note, graphics provided have been sized specifically for email signatures. While the below images are in support of the Campaign's "Flu Season" initiative, there are a variety of **graphics** available on InsureKidsNow.gov that can be used.

Step 2: Copy and paste the link you want to use into the "Shorten Your Link" text box

Step 3: Select "Shorten"; this will produce a custom, shortened link

Add an Image to your Email Signature

The pages that follow outline the steps to add an image and copy to your email signature in Microsoft Office 365 Outlook.

Step 1: Log into your Outlook email account and open a new email message.

Step 5: To resize your image, right-click the image, then choose "Picture." Select the "Size" tab and use the options to resize your image. To keep the image proportions, make sure to keep the "Lock aspect ratio" box checked. Select "OK" when finished. The image should be between 300 to 600 pixels in width, or between four to eight inches at 72 dpi.
